

How to submit artwork to the online gallery

Eligibility: Current MAA membership. There is no entry fee.

Exhibit Length: Minimum of 3 months; suggest seasonal change-out.

You may submit up to three images in JPEG (JPG) format.

With each JPG file we need:

- Name of artist
- Title
- Size (without frame)
- Medium

Send the images and information in an email to maa@manchesterart.org.

Guidelines for images:

- **Image quality:** Because the images are for online use only, they don't need to be high quality (72 dpi [dots per inch] is fine.) Higher quality images will work too.
- **Image size:** At least 600 pixels in the largest dimension. Larger images are fine.
- **Image type:** Please submit your image in JPEG (JPG) format.

If the image jargon above is intimidating, please send us an email (maa@manchesterart.org) with your questions and someone will contact you.
